Learn how to turn teacups into adorable gnomes with just a few supplies.

This is an easy craft you can complete in about twenty minutes.

Prep Time

20 mins

Ingredients

- Teacup and Saucer
- Small drinking glass
- Men's size crew sock
- Small piece of Faux Fur
- Plastic baby shoe decorations
- 1.25 inch Wood Ball Knob

Instructions

1. Cut the sock just above and just below the heel. Also cut off the cuff at the top.
2. Slide the glass into the toe portion of the sock. Tuck the sock inside the glass and secure with hot glue.
3. Cut the ankle portion of the sock into two rectangles. Use them to cover two plastic baby shoe decorations. Secure the fabric with hot glue.
4. Draw a beard shape on the back of a piece of faux fur, about 3 inches wide and 4 inches tall. Carefully cut through just the backing of the fur to cut out the beard.
5. Place the sock covered glass on the saucer and secure with hot glue if desired. Glue on the beard.
6. Place a line of hot glue around the top edge of the glass and invert the teacup on top.
7. Glue on the nose and feet.
