

# Shaker Snowman

Search “Iclreads” on youtube.com to watch an instructional video.

1. Remove the top of the shaker.
2. Tie material around the top of the shaker for the scarf.
3. Curl the scrap of paper to make funnel and put into the shaker.
4. Pour snow into shaker. Be careful don't spill the snow.
5. Take paper funnel out of the shaker.
6. Put glue inside the top of shaker.
7. Put the white pom pom in the top of the shaker. Just enough to meet the glue.
8. Put glue on the inside rim of the shaker lid. Do this quickly the metal gets hot to the touch.
9. Place on back of the white pom pom at an angle.
10. Use the glitter glue to make eyes and mouth.
11. Put glue on the orange nose and put into the middle of the white pom pom under the eyes.
12. Glue the red or green pom pom on the hat or on the front of the shaker glass.
